

Ace Of Base, Cuba Cuba

Chorus:

Cuba, cuba here I come
There's a place in the caribbean sun
Land of future
Land of dreams
Checking for the coast

Cuban cigars
And the last glass in the bar
I see the rise and the fall
Of this down, downtown miami
Give me someone to dance with and love
When the sun goes down
While Fidel is growing his hair

(Chorus x 2)

Cuba, cuba libre
(It's Ace of base)
Cuba, cuba libre
Uh huh

(Shock)

Share in the sun
Givin' us some taps
That's still the one
Where coca cola and coke
Have arrived for consumers
It's so happy and poor
Little country down in the south
We like it
The people, the nature

(Chorus x 2)

Cuba, cuba libre
In the sun, in the south
(It's Ace of base)
Cuba, cuba libre
Uhhh ah ahh

Cuba, cuba libre
The world is coming over to ya, to ya
(x4)

(Chorus x 2)

It's so happy and poor
Little country down in the south
We like it
The people, the nature

(Chorus x 2)

Cuba, cuba libre
There's a place in the caribbean sun
Cuba, cuba libre
The world is coming over to ya
Cuba, cuba libre
(It's Ace of base)
Cuba, cuba libre
Checking for the coast
