Ace Of Base, Life Is A Flower

We live in a free world I whistle down the wind Carry on smiling And the world will smile with you Life is a flower So precious in your hand Carry on smiling And the world will smile with you

When every race is run And the day is closing in I don't care about the world I'm living for the light Don't cry for me today, ah-ah ah...

We live in a free world I whistle down the wind...

I can not be your judge Mr. Jailer is your host He's keeping you inside And hides you from the world No catcher in the rye Can help you from yourself

We live in a free world I whistle down the wind...

Please Mr. Agony Release them for a while Learn them the consequences of Living without life

We live in a free world... [repeat & amp; fade]
