

Ace Of Base, My Mind (Mindless Mix)

Ace of Base is in your mind

io! dance...

Everyone everywhere

Everyone everywhere

Ace of Base is in your mind

You're giving me hope

I'm moving back in time

You're giving me hope

I'm moving back in time

Everyone everywhere

Dance or fade out!

In my mind, in my mind, in my mind

In my mind you live

You're giving me hope

I'm moving back in time

(I'm moving - I'm moving)
