

# Ace Of Base, Waiting For Magic

kiss me baby i'm snowwhite  
sleeping in a coffin  
waiting for you/waiting for magic  
baby i'm snowwhite  
sleeping in a coffin  
waiting for you/waiting for magic  
a man of the world but lost in a dream  
you look at something from a different angle  
but i exist i'm waiting for you  
in a coffin made of glass

kiss me baby i'm attractive  
baby get to know me  
show how you are  
give me that magic  
baby i'm eternal  
lying in a coffin  
waiting for you  
in your dream a girl is dancing  
close to you (that girl is me)  
once a witch made her sleep  
but a prince will wake her up it's you

kiss me baby...

in the tale is the place to find her  
reach out to get to know her  
it means so much to me  
the meaning of the book

o kiss me baby wake me up  
o kiss me baby wake me up  
join in the story of the fairytale  
believe the dream you will not fail  
o kiss me baby wake me up

kiss me baby...

waiting for magic it's what i do  
waiting for magic for me and you to kiss me  
baby wake me up

caught in a dream how lucky you are  
you can see me i'm the girl behind you  
so open your eyes and turn around  
and watch me dancing join the fairytales

kiss me baby...

you cannot reach her on the planet  
that the scientists want to call the earth  
but if you use your imagination  
you will see her  
you will find her in your dreams  
i see no shadows in my dreams  
it is something so romantic  
i can tell it's for real you'll see
