

# Ace Troubleshooter, Denise

Waiting for a sign that never came  
Waiting, pinching nerves to stay sane  
Can't erase the time, forget the past  
Knowing good times come and go so fast

Denise it's not all set back in time  
Denise just lay i down and you'll find  
You've changed

Nowhere girl, a cage you've come to know  
Still wondering, &quot;Where did it all go?&quot;  
Plan a recluse life down to the day  
While you have chains to lose  
And a whole world to gain

Denise, Denise it's time  
Time to seize the world  
Denise it's time  
Denise it's not all set down in stone  
Denise just lay it down and you're home  
You've changed
