

# Ace Troubleshooter, Ode To The Armed Services

Andy's gonna be a marine  
He'll eat mashed potatoes and a can of cold baked beans  
He'll be out there digging a latrine  
Cuz Andy's gonna be a marine

Andy's gonna be a marine  
He'll have the biggest muscles that you've ever seen  
He'll be lean, green, mean, a muscle machine  
Cuz Andy's gonna be a marine

I can crush you! I can pound you!

It'll be so nifty  
The drill sergeant will tell him to drop and  
&quot;Gimme Fifty!&quot;
