

# Acelsia, Our Goodbye

Look into eathoter's eyes  
As we say goodbye  
Closes my eyes and fall to sleep,  
Into an enternal dream.  
How could I've known?  
You didn't tell me goodbye  
All of these years are gone  
Is this our Goodbye?

Chorus:

Hold my hand as I go to sleep  
Then I'll fade away  
Hold my hand as I go to rest  
Then I'll fade away  
You gave up everything,  
Gave up you life  
You didn't know, you would go  
And leave us behind

Chorus:

&laquo;Peaceful place&raquo;, the angel said.

&laquo;Fallow me into this life&raquo;

Chorus:
