

Acheron, Satanic Erotica

Welconme to the lust inside my sinfull mind
I'll show you things you never thought could be real
Remove you clothes and don't be afraid
Soon extasy will flow throughout you naked body
Lay on the ground upon the Baphomet
Open your legs and feel the exctent of your desires
I taste your treasures and you teate mine
Now it's time for you to taste the pleasures of.....
Satanic Erotica
My rod is thrust asw your body starts to shake
As the smell of incense fills the room
The nectar I inject is a gift from Lucifer
It gives me power to cast my spell
