What a ruthless sound  
What a ruthless sound  
Nobody needs a discord

What can we leave in this world?  
What a ruthless story

Kousashita hikari no saki kyoboku no kage ni  
hibari wa yurameki naku wakatsu hi no koe

Ima mo ukiyo ni hibiku  
What a ruthless sound  
but I stir the story

What can we leave in this world?  
What a ruthless story

Ruthless story  
What can we leave in this world?

Kazaru ukiyo no amoto ni akogareteitan'darou  
ima mo ukiyo ni hibiku  
What a ruthless sound  
What a ruthless sound  
Nobody needs a discord

What can we leave in this world?  
What a ruthless story
