

Acres Of Lions, Dance Sequence

And I hope we clash.

I hope we are opposing sides and this is all some childish game we play in our minds.

And I hope we hurt. I hope this is war and we are relentless.

And we feel displaced. We feel pain, the kind that's all-consuming.

But we're not done yet! No, we don't know when to quit!

You've got it going on tonight!

And I hope we match. I hope we are dressed accordingly:

In my best damn suit and your finest dress, honey, we can make this work!

But we're not done yet! No, we don't know when to quit!

You've got it going on tonight!
