

# Acroma, Careless One (Intro)

I'm tired of living in the morning  
I'm tired of living at night  
I'm tired of searching for the meaning  
I'm tired of wanting to be

I'm tired of living in the morning  
I'm tired of living at night  
I'm tired of searching for the meaning  
I'm tired of wanting to be  
Wanting to be  
Wanting to be you  
Surrender
