

# Across The Border, Stepmother Earth

You poison all my rivers,  
\_ seas  
\_ my mercy is yours

You burn my green lung  
and cut down my holy trees  
\_ my patience is yours

"[Refrain:]"

But one day  
I'll be \_ (one day)  
\_ race (one day)  
with fire in the graves,  
with fire in the graves

the forces of nature (one day)  
will make you a slave (one day)  
with fire in the graves,  
with fire in the graves,  
with fire in the graves!
