

# Acumen Nation, Bli\$\$

ignorance -- owns you  
fatted cow -- like minds  
think alike -- don't you  
want to be -- some one  
just-like-me -- broken  
angry out -- spoken  
shallowness -- grips you  
will always -- be no ONE!

like shattering -- a forcefield  
brain reacts -- counterattacks  
all of the poison forcedefed you  
by priests and doctors, moms and dads  
like rioting -- masturbating  
or hating -- it's so worthy  
of your undivided focus on  
destruction of this PLACE!

your bloodline, is collateral  
against the misunderstanding that  
you are not a loser, or a failure  
oh but you are, it's so unreal!

ignorance -- owns you  
fatted cow -- like minds  
think alike -- don't you  
wanna be -- some one  
just-like-me -- broken  
angry out -- spoken  
shallowness -- grips you  
will always -- be no one...

oh.. but you are -- it's so unreal!
