

Acumen Nation, P.O.D.O.A.

take it one day at a time
easy come easy go
you win some you lose some
every day is a new day
how you like me now
don't judge a book by its cover
in between my legs.. hangs your mother!

just a puppet just another fucking pawn
but as long as you get paid i guess there's nothing wrong

you never had an original synapse
cliche-core!
your rhymes are boring you ungifted fuckass
idiot-core!
there was once a man from nantucket
thesaurus-core!
he had a brain so small all he could ever do was SUCK!
SUCK! SUCK! SUCK!
JUST LIKE ME!

a penny saved is a penny earned stay
the course, i'll see you in hell
tow the line beating a dead horse
what goes around, always seems to come around
a bird in the hand, is worth, two in your nasty bush

i can read you like a book see, home is where the heart is
what doesn't kill you sadly, seems to make you stronger
when push comes to shove, there's always someone dumber still
than you to put out your next record and cash in
on all that ignorant spew

just a puppet just another fucking pawn
but as long as you get paid i guess there's nothing wrong

you never had an original synapse
cliche-core!
your rhymes are boring you ungifted fuckass
idiot-core!
there was once a man from nantucket
thesaurus-core!
he had a brain so small all he could ever do was SUCK!
SUCK! SUCK! SUCK!
JUST LIKE ME!
JUST LIKE ME!
(hahahahahaha!
fuck you!
fuck you!)
