

# Acumen Nation, You Deal With This

yeah, you don't know yourself  
you don't love yourself  
you wouldn't touch yourself  
unless you asked me first

i'm sorry for what i'm about to say  
about you and your life, it's not as funny as you think  
i'm sorry for what i'm about to say  
about you and your life, it's not as funny as you think

yeah, you don't want yourself  
you won't be yourself  
you wouldn't kill yourself  
unless you asked me first

i'm sorry for what i'm about to say  
about you and your life, it's not as funny as you think  
i'm sorry for what i'm about to say  
about you and your life, it's not as funny as you think

I don't love myself, I can't love myself  
I won't touch myself, without you  
I don't want myself, I can't be myself  
I won't kill myself, without you  
don't try.. necktie.. throat rape... aah!!  
don't try.. necktie.. throat rape

I don't love myself, I can't love myself  
I won't touch myself, without you  
I don't want myself, I can't be myself  
I won't kill myself, without you  
don't try.. necktie.. throat rape... aah!!  
don't try.. necktie.. throat rape
