

# Adam And The Ants, Puss'n Boots

Adam ant/marco pirroni

Pussycat's going to london  
Looking for love and for fame  
I wish somebody had told her  
City folks ain't the same  
Pussycat carries a postcard  
Won't the big city be nice  
That's the place with the action  
She's gonna have her a slice

Pussycat, pussycat where have you been?  
I've been to london, now I'm queen  
Sitting pretty, I don't wear suits  
And the mice all call me -  
Puss'n boots

Pussycat laughs at the warnings  
Where there's a will there's a way  
I think you'd agree if you saw her  
Rome's built in a day

Pussycat's read all the papers  
Seen the movie and knows  
All the streets lead to somewhere  
And the pavement's gold

Although you know it's wrong  
You must do it everyday  
When the morning comes  
Don't you turn around and say  
It's bound to end in tears  
So let's do it anyway

Pussycat wasn't a kitten  
And not as dumb as they thought  
She had a good head on her shoulders  
And beauty that couldn't be bought  
The royalty made her an offer  
If she'd keep trouble at bay  
They'd give her the money and diamonds  
Be queen for a day
