

Adam Faith, We Are In Love

Just the way she smiles and says hello,
I can't help but let my feelings show.
I'll hold her hand and tell her things I know she wants to know.
(La, da, da.) I will never make her blue.
(La, da, da.) I will never be untrue.
We are in love, and we'll keep it this way.

Never been so much in love before.
Now I am, I want it more and more.
And that Shavian love
I know we'll have for ever more.

(La, da, da.) I will never make her blue.
(La, da, da.) I will never be untrue.
We are in love, and we'll keep it this way.

Love, love, love, has made all my dreams come true.
Love, love, love, it's strange what you can do.
I'm in heaven when she kisses me.
I hear angels singing happily,
And with this love of mine
I'm as happy as I'll ever be.

(La, da, da.) I will never make her blue.
(La, da, da.) I will never be untrue.
We are in love, and we'll keep it this way.
We are in love, and we'll keep it this way.
