

# Adam Freeland, We Want Your Soul

your cellphone, your wallet, your time, your ideas  
no barcode, no party, no ID, no beers  
your bankcard, your licence, your thoughts, your fears  
no simcard, no disco, no photo, not here

your blood, your sweat, your passions, your regrets  
your profits, your time off, your fashions, your sex  
your pills, your grass, your tits, your ass  
your laughs, your balls, we want it all

we want your soul x 3

(in bg: your cash, your house, your phone, your life, your cash, your house, your phone, your life)

tell us your habits, your fads, your fears  
give us your address, your shoe size, your years  
your digits, your plans, your number, your eyes  
your schedule, your desktop, your details, your life  
show us your children, your photos, your home  
here, take credit, take insurance, take a loan  
get a job, get a pension, get a haircut, get a suit  
play the lottery, play football, play the field, snort some toot

we'll show you shrinks, we'll show you spooks  
we'll buy you drinks, throw away your books  
we'll sell you crap, we'll charge you tax  
wanna buy big guns? we'll front the cash

we want your soul x 5

(in bg: your cash, your house, your phone, your life, your cash, your house, your phone, your life)

your thoughts, your emotions, your love, your dreams  
your cheque book, your essence, your sweat, your screams  
your security, your sobriety, your innocence, your society  
your self, your place, your distance, your space
