

Adam Lambert, Fever

There he goes, my baby walks so slow

Sexual tic-tac-toe, yeah, I know we both know

It isn't time, no, but could you be m-mine?

We'll never get too far, just you, me, and the bar

Silly mÃ©nage Ã trois sometimes

Would you be m-mine? Would you be m-mine?

Would you be m-mine?

Oh baby, lights on, but your mom's not home

I'm sick of laying down alone, hey

With this fever, fever, yeah

I want it all, I wanna get you alone

Give you a fever, fever yeah

There it goes, you stole my so-and-so

'Cause sweetheart no-no-nobody a-no-no-knows

Me or can find me

Time to be m-mine, mine

Let's get inside your car, just you, me and the stars

Kind of mÃ©nage Ã trois sometimes

Would you be m-mine? Would you be m-mine?

Would you be m-mine?

Oh baby, lights on, but your mom's not home

I'm sick of laying down alone, hey

With this fever, fever, yeah

I want it all, I wanna get you alone

Give you a fever, fever, yeah

Yeah, yeah, yeah

Yeah, yeah, yeah

Yeah, yeah, yeah

Oh baby, oh baby, oh baby

Yeah, baby, you're mine

Baby, you're mine, mine, mine

Oh baby, lights on, but your mom's not home

I'm sick of laying down alone

With this fever, fever, yeah

I want it all, I wanna get you alone

I got this fever that I can sweat out

Oh baby, lights on, but your mom's not home

I'm sick of laying down alone

With this fever, fever, yeah

I want it all, I wanna get you alone, yeah

Give you a fever, fever, yeah

Give you my f-f-fever, my f-fever

Give you my f-f-fever, my f-fever

Give you a fever, fever, yeah

Give you a fever, fever, yeah
