

# Adam Lambert, One (American Idol Studio Version)

Is it getting better or do you feel the same?  
Will it make it easier on you now?  
You got someone to blame  
You say one love, one life  
It's one need in the night  
One love, you get to share it  
It'll leave you baby if you don't care for it  
Did I disappoint you or leave a bad taste in your mouth?  
You act like you never had love  
You want me to go without  
Well, it's too late tonight to drag the past out into the light  
We're one but we're not the same  
We gotta carry each other, carry each other  
One  
Have you come here for forgiveness?  
Have you come to raise the dead?  
Have you come here to play Jesus to the lepers in your head?

Did I ask too much, more than a lot?  
You gave me nothing, now it's all that I got  
We're one but we're not the same  
We hurt each other then we do it again  
You say love is a temple, love is a higher law  
Love is a temple, love is the higher law  
You ask me to enter then you make me crawl  
And I can't keep on holding on to what you got  
When all you got is hurt  
One love, one blood  
One life, you gotta do what you should  
One life with each other, my sisters and my brothers  
One life but we're not the same  
Gotta carry each other, carry each other  
One, one, one, one
