

Adam Levine, Lost Stars (soundtrack "Zaczniemy

Please don't see just a boy caught up in dreams and fantasies
Please see me reaching out for someone I can see
Take my hand let's see where we wake up tomorrow
Best laid plans sometimes it's just a one night stand
I'd be damned Cupid's demanding back his arrow
So let's get drunk on our tears and

God, tell us the reason youth is wasted on the young
It's hunting season and the lambs are on the run
Searching for meaning
But are we all lost stars, trying to light up the dark?

Who are we? Just a spec of dust within the galaxy
Woe is me if we're not careful turns into reality
Don't you dare let all these memories bring you sorrow
Yesterday I saw a lion kiss a deer
Turn the page maybe we'll find a brand new ending
Where we're dancing in our tears and

God, tell us the reason youth is wasted on the young
It's hunting season and the lambs are on the run
Searching for meaning
But are we all lost stars, trying to light up the dark?

I thought I saw you out there crying
I thought I heard you call my name
I thought I saw you out there crying
Just the same

God, tell us the reason youth is wasted on the young
It's hunting season and the lambs are on the run
Searching for meaning
But are we all lost stars, trying to light up the dark?
But are we all lost stars, trying to light up the dark?
