

# Adam Levine, No One Else Like You

Is everything just right?  
Don't want you thinking that I'm in a hurry  
I won't stay afraid  
I had this vision that has got me worried

Cause everyone wants someone  
That's one cliché that's true  
But since you I want no one  
Unless that someone's you

It looks like you, feels like you, smiles like you  
I want someone just like you, true and through  
I'm forever blue cause there's no one else like

I hope that you're not mad  
You always said you want a man of passion  
I'm not the hottest left, no  
There's more than liking physical attraction

You've got your special someone  
But between me and you, guess who  
Was spending my whole life waiting for someone just you

It looks like you, it feels like you, it smiles like you  
I need someone just like you, love me true  
I'm forever blue cause there's no one else like

I want you in my heart, I see you in my dreams  
I'm gonna make you mine, as crazy as it seems  
Just you, yes you, you

I need someone just like you, love me true  
I'm forever blue cause there's no one else..  
There's no one else /6x  
I need your help  
Cause you're so far, you're so far /2x  
Cause you're so far /3x  
You're so far /3x
