## Adam Sandler, Sloppy Joe

[Spoken]

Ok, I just want to warn you that when I wrote this song I was listening to the Cure a lot.

[Sung] You don't know how much I need you. While you're around I don't feel blue. And when we kiss I know that you need me too. I can't believe I found a love that's so pure and true.

But it all was bullshit. It was a goddam joke. And when I think of you and I, I hope you fucking choke.

I hope you're glad with what you've done to me. I lay in bed all day long feeling melancholy. You left me here all alone, tears running constantly.

Oh somebody kill me please, somebody kill me plee-ase, I'm on my knees, pretty pretty please kill me.

I want to die. Put a bullet in my head.

[Spoken] Kid: You're going to the mental institution.
