

Adam & The Ants, Ants Invasion

10:35 and I hope I've made
the right decision
heart is beating I'm alive
but I don't call this living
rationalise till I'm blue in the face
you cannot lose if you throw the race
I'm still searching for the
ants invasion

10:36 and I hope I've made
the right decision
ninety eight point four's the bore
with twenty twenty vision
you want a thrill so you come and see me
a cheap line in fantasy

but I'm still searching for the
ants invasion

if I'd the courage
I would make my way home
too many antics in the forbidden zone

10:38 and I think I've made
the wrong decision
another lifeless man with a strange incision
I hope that insect doesn't see me
he's not renowned for his courtesy
I'm not searching for the
ants invasion
