

Adams Bryan, House Arrest

Adams Bryan

Waking Up The Neighbours

House Arrest

Well there's gonna be a party gonna make some noise

Yeah we're invitin' all the girls - invitin' all the boys

There'll be dancin' on the tables dancin' on the chairs

Ya there'll be dancin' in the parkin' lots

And up and down the stairs - alright

Close the windows - lock the doors

Turn it up now - pack the floors

Cops are on the outside - landlord's on the phone

Quick turn out all the lights

Pretend there ain't nobody home!

It's a house arrest - everybody run

I gotta plead guilty havin' - too much fun

This is a house arrest - up against the wall

We can't stop rockin' justa havin' a ball - One and all

Won't you come around to my place

Don't cha know it's overdue

You gotta bring your little lady wear your dancin' shoes

Get a Yellow Taxi - take a limousine

You gotta get there - it's gonna be a scene

it's too late can't wait - get out while you can

It was fun while it lasted let's do it all again

It's a house arrest - everybody run

I gotta plead guilty havin' - too much fun

This is a house arrest - up against the wall

We can't stop rockin' justa havin' a ball

One and all

We bin wakin' up the neighbours

Bouncin' off the walls

Hangin' off the ceilings

We'll be dancin' in and out of the halls!

This is a house arrest everybody move

Gotta plead guilty gonna raise the roof

This is a house arrest...!
