I Finally Found Someone  
(feat. Barbra Streisand)

I finally found someone, who knocks me off my feet;  
I finally found the one who makes me feel complete...  
It started over coffee, we started out as friends;  
It's funny how from simple things; the best things begin...  
This time is different;  
la la la la  
It's all because of you!..  
It's better than it's ever been;  
Cuz we can talk it through;  
My favorite line was "Can I call you sometime?"  
It's all you had to say...  
To take my breath away...

This is it!  
Oh, I finally found someone; Someone to share my life;  
I finally found the one - to be with every night;  
Cause whatever I do  
It's just got to be you!  
My life has just begun, I finally found someone...

Did I keep you waiting?  
I didn't mind  
I apologize  
Baby, that's fine  
I would wait forever  
Just to know you were mine;  
Ya Know - I love your hair...  
Are you sure it looks right?  
I love what you wear...  
Isn't it too tight?  
You're exceptional!  
I can't wait for the rest of my life...

Oh This Is It!  
I finally found someone; Someone to share my life,  
I finally found the one; to be with every night...  
Cause whatever I do  
It's just got to be you  
My life has just begun; I finally found someone...  
And whatever I do.  
It's just got to be you!  
My life has just begun...  
I finally found someone...
