

Adams Bryan, Wastin' Time

Adams Bryan

Bryan Adams

Wastin' Time

Could have been a winner,

Should have taken me.

It was so damn cold I shoulda held ya

'Cause you were shakin' me.

Well, I almost had a question,

When she led me home,

I spent too much time for one night

Bein' alone.

She said you're wastin' time,

You're takin' a chance on me.

You're wastin' time,

You're takin' a chance on me.

Should have got the rambler,

Back seat movie for two.

I spent too much time for one night

Bein' alone with you.

Should have seen her daddy

'Case he said she had to go.

I spent too much time for one night

Bein' all alone.

She said you're wastin' time,

You're takin' a chance on me.

You're wastin' time,

You're takin' a chance on me.
