

Adeaze, Always And For Real

Sometimes I feel like I'm falling from the sky
And they were just waiting to be loved
So I stopped to think of you I think I'm for you it's true
I know I've been gone and so I wrote for you this song

Baby you know I've been away
But every day for me each day I'm gone
Baby you know I've gone away
So will you pray for me each day I'm gone

I've looked in your eyes and I see this love inside
A love that is pure is a gift from me to you
So I've paused to shed a tear, oh wipe away your fears
I don't want to lose a gift from God to me to you

Baby I miss you so
And I never want to let you go
My heart goes out to you baby can you
Come stay with me and I'll promise that
I'll give you all I can
It may not be made out of gold
But this heart I have just can't be so
I love you
Yes it's true

Baby you know I've gone away
So will you pray for me each day I'm gone
Gone
Baby you know I've gone away
So will you pray for me each day I'm gone

Baby you know I've been away
But every day for me each day I'm gone
Baby you know I've gone away
