stronger

listen to me im feelin afraid,
of sumthing in my life that is wrong..
and that you will tell me that im ok
dont worrie because i am strong.

i know it gets hard sometimes but remember that im only human,
and the things that i face cause the same things that you can help me to overcome.

ch: i dont want nobody else i dont need somebody else to tell me about love, i am strong on my own.
But if you think you can tell me why that things im doing is going wrong, its just me gettin stronger..

well im gonna tell you that im ok that with or without you i am safe. but dont get me wrong im still w

life is a proud of the needing for things that we get to share look at each other...
so let the past behind and each other well find our love is strong again....
