

Adelitas Way, All Falls Down

I knew I should have savored every moment
I wish I would have grabbed tight and just hold in
I know, I know everything's wrong
Let go, let go, now I'm gone
When it all falls down
And you know
There's no way that you can get out (x2)
I know I should have cherished every second
I step back, step back to another perspective
And in my mind, my mind I know it's been long
It's a feeling you've got, you're feeling so cold
When it all falls down
And you know
There's no way that you can get out (x2)
I don't want to feel like this will never be over
And I don't want to sit and think about what's going wrong
I don't want to feel like this will never be over
Cause it feels like I've been falling for so damn long
When it all falls down
And you know
There's no way that you can get out (x2)
(All falls down
And you know
There's no way you can get out)
