

Adelitas Way, My Derailment

Yeah, yeah
Yeah, yeah
So fake that
You hate it
A city that seems so jaded
I can't, I can't
End up like that
It's all about
What you're driving you know
In a second
It'll swallow you whole
So fast
Just like that
You're way off track
To all you
Who want to
You want to
It just ain't worth it
To all you
Who need to
You need to know
I don't give a fuck that you can't stand me
I've finally had enough of what you're sayin'
Now you're talking tough 'cause you back-stabbed me
You're my derailment
So sick and
So shameless
So I'd never stop by saying
Do you know, you know, who I am
It's not about what you're driving you know
'Cause when it's gone you'll be standing alone
So fast, just like that
You turned your back

To all you
Who want to
You want to
It just ain't worth it
To all you
Who need to
You need to know
I don't give a fuck that you can't stand me
I've finally had enough of what you're sayin'
Now you're talking tough 'cause you back-stabbed me
You're my derailment
It's funny how you lie and try to wreck me
It's funny how you're falling on your face
I'm never going to let you disrespect me
You're my derailment
Oh, yeah
I don't give a fuck that you can't stand me
I've finally had enough of what you're sayin'
Now you're talking tough 'cause you back-stabbed me
You're my derailment
It's funny how you lie and try to wreck me
It's funny how you're falling on your face
I'm never going to let you disrespect me
You're my derailment
Where do we go from here
If everything's so unclear
Too late to turn back time
I'll never make it out alive
Until the day I see through all your lies
