

# Adelleda, Generation Why?

You said it, kid, you said it  
You made your point and it's getting pathetic  
No, it's not just another word  
You're talking to yourself  
Ignorance with adjectives, we watch you cross the line  
These shaking hands don't want to hear the words you re-define  
Tripping over some terrible excuses when you say  
Dude I didn't mean it like that, dude I didn't mean it like that  
You said it, kid, you said it  
Bite your tongue and show some respect, man
