

Adelleda, Generation Why?

You said it, kid, you said it
You made your point and it's getting pathetic
No, it's not just another word
You're talking to yourself
Ignorance with adjectives, we watch you cross the line
These shaking hands don't want to hear the words you re-define
Tripping over some terrible excuses when you say
Dude I didn't mean it like that, dude I didn't mean it like that
You said it, kid, you said it
Bite your tongue and show some respect, man
