

# Adema, Blow It Away

Everyday I think about what you did  
Livin life ain't much with all this shit  
'Cause I'm going insane with all of it  
You keep driving me crazy

Always crazy  
You're gonna drive me crazy  
You're gonna wake up one day dead inside  
'Cause you're alone, not in my life

I think about you sometimes and want to kill you  
You disrespected my pride  
How could you do this?

All my life has always been like this  
Taking shit and I can't deal with it  
Selfish bitch, that's always full of it  
You keep drivin' me crazy

Always crazy  
You're gonna drive me crazy  
You're gonna wake up one day dead inside  
'Cause you're alone, not in my life

I think about you sometimes and wanna kill you  
You disrespected my pride, how could you do this?  
I'm going crazy tonight and I blow it away

You want me  
(want me)  
To be like you  
You want me  
(want me)  
To be like you  
Nooooooooooooo!!!

I think about you sometimes and wanna kill you  
You disrespected my pride, how could you do this?  
I'm going crazy tonight and I blow it away  
I think about you sometimes and wanna kill you  
You disrespected my pride, how could you do this?  
I'm going crazy tonight and I blow it away
