

# Aden Foyer, Other Side Of The Moon

I keep my exes  
locked in a penthouse  
Oh what can I do (Oh what can I do babe)  
I keep my fingers  
crossed when I see you  
whatever you do

I wanna travel the world  
And bring you along  
I wanna see the other side of the moon  
I never believed  
In a thing called love  
Until I saw your face  
Walk in the room

'Cus when it comes to love  
I've been cynical  
Even psychoanalytical  
Thinkin' love ain't nothin'  
But a chemical or two  
But then I met you

I keep my exes  
locked in a penthouse  
Oh what can I do (Oh what can I do babe)  
I keep my fingers  
crossed when I see you  
whatever you do

She's a crazy one  
But a lotta fun  
She's keepin' pictures  
of herself around like  
she's the one (I'm the one)  
She's quoting Nietzsche  
And drinks tequila  
Havin' the time of her life

But when it comes to love  
I've been cynical  
Even psychoanalytical  
Thinkin' love ain't nothin'  
But a chemical or two  
But then I met you

I keep my exes  
locked in a penthouse  
Oh what can I do (Oh what can I do babe)  
I keep my fingers  
crossed when I see you  
whatever you do

Eighteen summers  
Eighteen lovers  
But no one like you  
I see you standing there  
I've got nothing left to lose

I keep my exes  
locked in a penthouse  
Oh what can I do (Oh what can I do babe)  
I keep my fingers  
crossed when I see you  
whatever you do
