

# Adhesive, Anthem

It's so wonderful living in a country like the one we have.

Our nation-state really turns me on.

We're such an example for the world, or aren't we?

We draw a line. This is ours, and there's nothing you can do.

No matter the cause.

Our egoistic manners suit us fine, or don't they?

YOU DRAW YOUR LINES.

WHY BOTHER?

THIS COUNTRY IS FOR FREE.

We'd rather not have that many crossing our precious borderline.

Of course, if you've got money,

we can be generous if we want, or cant we?

YOU DRAW YOUR LINES
