

# Adhesive, Here They Come Again

It's hard to understand how far people are willing to go

In order to keep the city &quot;clean&quot;;

They call &quot;them&quot; off as useless waste, the drunks, the junks and the poor

And label them all insane

HERE THEY COME AGAIN WITH ANOTHER

STATE-SANCTIONED WAR

THEY'LL WIPE THE CITY CLEAN FROM THE

HOMELESS AND THE POOR

AND FOR THOSE WHO AREN'T A PART

OF THE TOWN COUNCILOR'S PLAN

PACK YOUR BELONGINGS

NEVER TO COME BACK AGAIN

It's hard for people who value profit more than solidarity

To see things from the angle of a broken soul

But in the end it all comes down to what your values are

Who's the enemy and who's your brother

HERE THEY COME AGAIN
