

Adhesive, Scottie

The more I see, the more I tell myself I'm not going to live my life that way.
A prisoner in a domestic jail. The same things happen every day.
I'm not going to live my life that way.
The more I see, the more I ask myself. Am I going to live my life that way?
Asocialized in a domestic jail, where no joy would enter my world.
I'm not going to live my life that way.
IS MY WHOLE BEING BASED ON ISOLATION,
WHERE THE OUTSIDE WORLD IS BUT A DREAM?
NEVER A SIGHT OF ANY OTHER LIFEFORM,
SO SCOTTIE, PLEASE BEAM ME AWAY.
A prisoner in a domestic jail. The same things happen every day.
I'm not going to live my life that way.
IS MY WHOLE BEING...
