

Adina Howard, Crank Me Up (Featuring Missy Elliott)

Missy, yeah, uh huh
Betta pump this in yo jeep, better turn the volume up
Wanna smoke a little this stuff, that's the way we blaze on up
That's the way we blaze on up, boy, ain't a freak like me
That could do it constantly, that surely get busy
Wanna feel a part of me?
You make my heart beat faster, yeah
You got the ill flow like a rapper
I'll lace you with good sensations
Ya lovin' be my first occupation
This is how I'm puttin' it down for my peeps
On the other side of town, can you tell me
Are you feeling me and if you're feeling me
Then pump this in your jeep, play this in your jeep
Ooh ah baby, show me love, show me love
Ooh ah baby, crank me up, crank me up
Ooh ah baby, show me love, show me love
Ooh ah baby, crank me up
Baby why you frontin' on me?
Won't you come and spend some time?
Won't you come and chill with me?
I know you wanna smoke this
All I ever wanted you to do is to feel me
I wanna sit and get you in the mood
But you gotta play this in your jeep, in your jeep
Ooh ah baby, show me love, show me love
Ooh ah baby, crank me up, crank me up
Ooh ah baby, show me love, show me love
Ooh ah baby, crank me up
You got it, tell me how you want it
How you want it? I wanna make it funky
How you want it? I wanna make it funky
How you want it? I wanna make it funky
How you want it? I wanna make it funky
Bump this shit in your jeep
Ooh ah baby, show me love, show me love
Ooh ah baby, crank me up, crank me up
Ooh ah baby, show me love, show me love
Ooh ah baby, crank me up
'Round and 'round, let's get to down
Feelin' my body, my body, feelin' my body
My body, feelin' my body, my body
Feelin' my body, my body
Ooh ah baby, show me love, show me love
Ooh ah baby, crank me up, crank me up
Ooh ah baby, show me love, show me love
Ooh ah baby, crank me up
