

Adina Howard, Strawberries

Uh, uh, uh baby
Yeah babe

Verse 1

Store is open boy, won't u come inside
Try some goodies on aile 69
Your appetite for love, is what I like
Oh, won't u let me give u some of this chocolate to night

Hook

Feel like sipping on Crystal tonight
Light the Henasee from the candle light, Run the bubble bath and let's enjoy the night, I'm that type
One little kiss from my lips will be, enough to start it off u will see baby
Bring some strawberries and Henesee, we can make love endlessly

Chrous

Strawberries on top of me, candle light a little Henasee, that's the way, that's the way my love flows
Strawberries on top of me, candle light a little Henasee, that's the way, that's the way my love flows

Verse 2

If u can keep it real, like when my body feels good and wet, to satisfy your love
I'm about to let u get inside
I'll be your maryjane and u know I'll get u so high

Hook

Feel like sipping on Crystal tonight
Light the Henasee from the candle light, run the bubble bath and let's enjoy the night, I'm that type
One little kiss on my lips will be, enough to start it off u will see baby
Bring some strawberries and Henasee, we can make love endlessly

Chrous

Strawberries on top of me, candle light a little Henasee, that's the way, that's the way, my love flow
Strawberries on top of me, candle light a little Henasee, that's the way. that's the way, my love flow

Rap Verse

Got some taste to make u hook, and I'm feeling u got to have it
Taste this flavor make u feel like it's a habit, u wanna come inside from the rain
This gurl gots more game than the little head straight for the top
That's the way it's going down boo, once I get my props, I want a little bit of this, little bit of that, wa

Chrous

Strawberries on top of me, candle light a little Henasee, that's the way, that's the way, my love flow

I need a real good man, who ain't afraid to do it right, just take you time, even if it takes all night
I want a real good man, who ain't afraid to do it right, just take your time, even if it takes all night
