

Adkins Trace, Twenty-Four Seven

Adkins Trace

Big Time

Twenty-Four Seven

I've got this craving around the clock

And it's got a hold on me

I've had it bad since the moment we met

I can't get no relief

You're the only train of thought on my one track mind

Going ninety miles an hour baby all the time

Twenty-four, seven

You're the only thing that matters to me

Twenty-four hours girl, every day

Seven long days a week

I'm in heaven, heaven

Twenty-four, seven

Every night when I go to sleep

In my dreams there you are

You're the first thing I think about

And that's how the morning starts

It seems like everything I say and do

Is all about me being in love with you

Twenty-four, seven

You're the only thing that matters to me

Twenty-four hours girl, every day

Seven long days a week

I'm in heaven, heaven

Twenty-four, seven

You're the only train of thought on my one track mind

Going ninety miles an hour baby all the time

Twenty-four, seven

You're the only thing that matters to me

Twenty-four hours girl, every day

Seven long days a week

I'm in heaven, heaven

Twenty-four, seven

I'm in heaven

Twenty-four, seven

Twenty-four hours girl, every day

Seven long days a week

I'm in heaven, heaven

Twenty-four seven

Twenty-four seven girl
