

# Admiral Freebee, Blue Eyes

Goodbye blue eyes  
Blue eyes goodbye  
For so long I have tried

It was strange  
How no goodbyes were spoken  
And it was strange  
How suddenly the spell was broken

So goodbye blue eyes  
Blue eyes goodbye  
You were my princess  
You were my darkness

It was strange  
How suddenly the spell was broken  
And it was strange  
How no goodbyes were spoken

So goodbye blue eyes  
Goodbye  
Goodbye
