

Adrian Belew, Nobody's Fool

(belew/fetters)

Money to burn, I'm on fire
Danger danger, I'm hot-wired

I'm in the business of pleasure
A big demand for leisure
I'll have my drink at the pool
I'm nobody's fool

Roll me over, roll me the rojo

Life is tough, or so I'm told

I'm in the business of pleasure
A big demand for leisure

I'll have my drink at the pool
I'm nobody's fool

Nobody's fool, I'm on fire
Nobody's fool, I'm hot-wired
