Sex sleep eat drink dream

Primal tribal apple egg  
Vegetable eel  
I have a new canoe  
But it does not have a wheel

Sex sleep eat drink dream

Private velvet animal  
Oldsmobile mind  
I'm sitting in the fireplace  
Burning up my time

Sex sleep eat drink dream

Private velvet animal  
Empty t.v.  
They're fishing in the kitchen  
But they haven't caught up to me

Primal tribal chemical  
Digital night  
I've got to get dressed to go out  
Of my mind
