Adrian Burek, I Feel Like I'm Drowning

you keep dreaming and dark scheming you do you're a poison and I know that is the truth all my friends think you're vicious and they say you're suspicious you keep dreaming and dark scheming you do

I Feel Like I'm Drowning I'm Drowning you're holding my down and holding my down you're killing me slowly so slow I Feel Like I'm Drowning I'm Drowning

you're so plastic and that's tragic just for you I don't know what the hell you gonna do when your looks start depleting and your friends all start leaving you're so plastic and that's tragic just for you

I Feel Like I'm Drowning
I'm Drowning
you're holding my down and
holding my down
you're killing me slowly
so slow
I Feel Like I'm Drowning
I'm Drowning

my life's ok just when you're not around me my life's ok just when you're not around me my life's ok just when you're not around me

I Feel Like I'm Drowning
I'm Drowning
you're holding my down and
holding my down
you're killing me slowly
so slow
I Feel Like I'm Drowning
I'm Drowning
