

# Adrian Furby Trio, My Hairy Grandad

Have always had big toes.  
With smells emanating  
that drift up into your nose.  
And the people in my family,  
have questionable hygiene.  
I think it all comes from,

watching too much Mr Bean.  
But there's nothing to compa  
re,  
With my Grandad's Steely Hair.  
Its thick and wiry, and looks like a rug,  
And you always find one or two in your mug.  
He's hairy but I love him,  
My hairy Grandad.
