

Adult., Disappoint The Youth

Soothing, soothing little wrong
A slanted tale that's passed along
This is the version filled with truth
Disappoint the youth
Niceties to compromise
Never to amuse
Let's quietly make fun
And disappoint the youth
Aversion to the truth
Soothing, soothing little wrong
These scattered trails we twist among
Can only soothe so long
Till we disappoint the youth
Soothing, soothing little wrong
A slanted tale, what's wasted on
Is wasted all along
Disappoint the youth

Disappoint the youth, disappoint the youth
