

Adult., Kick In The Shin

At this point in time
You should read between the lines
A kick in the shin
A punch in the chin
Where to begin
It comes from within
Through thick and thin
Nobody wins
It's a dead end
Do you know what I mean?
It's a dead end

Kick in the shin, Kick in the shin
Is that how you say thank you
Kick in the shin, Kick in the shin
Is that how you say your welcome
Kick in the shin, Kick in the shin
Is that how you say I love you
Kick in the shin, Kick in the shin
Is that how you say...
Goodbye.
