Adult., Still Waiting

I pause, keep thinking What's going on, deliberately sinking A sign is a sign as I wait and I wait -I wait Stay away for as long as you like Since I just can't decide, and I just don't like

Too much contact Can make you Too much contact Way too much contact Can make you ill

Wait, wait, wait, wait No matter what I know this means something

I'm at my best, when I obsess A little bit of pain can go a long way Still I wait and I wait and I wait -I wait I'd say "Wish you were here" But then again Talking through coughs Can really kill the... contact
