

# Aeon Spoke, Nothing

If it was between us,  
Then I'm still amused.

So let me go.  
I've got more damage to do, on myself.  
I'll just go.  
There's nothing left to lose.  
Nothing.

If it was the pressure,  
Then I'm blowing up.

So let me go.  
I've got more damage to do, on myself.  
I'll just go.  
There's nothing left to lose.  
Nothing.

So let me go.  
Let me go.  
Let me go.  
I've let you go.

Let me go.  
I've got more dying to do, on myself.  
I'll just go.  
There's nothing left, for you.  
Nothing.
